

VAMPIRE PENANCE SCRIPT

THE MALE VAMPIRE ROLE

POLESTAR PICTURES – OPEN AUDITION CONTEST

GET DISCOVERED: VAMPIRE PENANCE ACTOR COMPETITION

Welcome to the spine-chilling world of Vampire Penance, where the undead come to life! We're thrilled to invite you to participate in our exclusive audition contest for vampires and supporting acting roles in our upcoming film. (And as a reminder, we even have parts for children! Parental permission required.)

We're changing the way studios would typically do casting. Generally, casting would normally be done by invitation only from the casting director. Once the actors performed their auditions, the casting director and the producers would share their opinions about the talent's performance. Majority rules, and the part would be cast. We decided to do our casting more like "America's Got Talent" and open the auditions far and wide to find the best actors. We're going to provide an audition scene for you to read and you'll send us a 90-second video clip link of that audition. Our magazine readers and website visitors can watch and vote for you.

You'll be judged on several factors before we show your clip to the voting audience.

1. The first is 'personality.' Here's where you should tell the audience why they should vote for you.
2. Then we'll rate you on wardrobe and makeup.
3. And lastly, our judges and the voting audience will judge you on your acting talent when acting out the audition scene.

The actors who get the most votes from our moviegoing audience and community will move to the next rounds, until we get to the finalists for the various support roles. Friends, fans, and family can vote only once each day during each round of voting. The actors getting the most votes will be cast in the supporting and vampire roles.

How to Enter:

1. Create a 90-second video post on YouTube or Vimeo and send link:
 - In the first 45 seconds, tell the voting audience why you should be picked.
 - In the next 45 seconds perform the audition scene with a 'reader' off screen. As we want the spotlight just on you, your "reader" should say their lines off camera.
 - Then, during the next 30 seconds have your 'reader' calling out the four emotions we've listed after your audition scene, act them out - there is NO dialogue here, we want to see how you can express emotion with no words. Express each emotion for 10 seconds (+/-).
 - After the last one, thank your audience and ask them to vote for you.
 - Your whole audition should be around 2-minutes (+/-).
2. Dress the Part:
 - Showcase your best vampire attire. Let your creativity run wild – the more authentic, mysterious, and haunting, the better!

Silent Elegance: Remember, even though the vampires in our film don't speak, your performance should captivate the audience both in the audition scene and in your acting ability to express your emotion with NO words. Use body language, facial expressions, and movement to convey the essence of your immortal character.

Submit Your Entry: Email your video link to contest@vampirepenance.com with the subject line "Get Discovered: Vampire Penance Actor Audition." Please include your name, contact information, and a copy of the signed Participant Release Agreement.

SCRIPT FOR MALE VAMPIRE

Location: The Castle's Hidden Chamber

Characters:

- **Anton** (Vampire): A centuries-old vampire grappling with his nature.
- **Samantha** ('Reader'): A curious and brave individual who has stumbled upon Anton's secret. Reading of her lines is to be off camera.

Scene:

(The chamber is dimly lit, shadows dancing on the walls. Alexandria stands at the center, her eyes reflecting a deep torment. Sam enters, breathless and wide-eyed.)

Samantha: (Scared, voice trembling) "Anton, what is this place? What... what are you?"

(Anton turns, his expression a mix of fear and sorrow.)

Anton: (Voice filled with pain) "Samantha, you shouldn't have come here. I wanted to protect you from this... from me."

Samantha: (Taking a step back, voice shaking) "Protect me? Anton, you're scaring me. What's going on?"

(Anton's eyes well up with tears, his voice breaking.)

Anton: "I am a creature of the night, Samantha. A vampire. This... is my curse. My penance for a life I never chose."

(Samantha's fear shifts to a mix of horror and sympathy.)

Samantha: (Whispers) "Vampire... but, you've never hurt anyone..."

Anton: (Dramatic, a fierce resolve in his tone) "And I never will. That's why I must stay away. For your safety... for everyone's."

(Anton steps away from Samantha's gesture of understanding. Samantha steps back into the shadows, a single tear trailing down her cheek.)

Anton: (Softly) "Please leave, Samantha. Remember me as I was, not as the monster I've become."

(Fade to black as Anton remains alone, lost in his eternal struggle.)

This script captures the emotional turmoil of the Anton's character, offering a blend of fear and drama suitable for your acting part.

However, we would now like you to act out these four emotions. Have your 'reader' call out the emotion from off camera, and then perform them with NO dialog. Spend about 10 seconds on each emotion.

- **Fear**
- **Anger**
- **Nervous Anticipation**
- **Love**
